

C3/2PNP(T+2S)-W1 (P.180-W)

Product summary:

SAT+TERR double combiner

Brief description:

3in/2out TERR and SAT double combiner designed for adding terrestrial signals to both outputs of Twin LNB (Monoblock Twin LNB).

Satellite inputs transmit DC voltage, 22 kHz and DiSEqC commands from respective outputs.

Technical data:

Parameter	Condition	Value
Frequency range	Sat. inputs	950-2300 MHz
	Terr. input	5-862 MHz,
Insertion loss	Sat.	2 dB avg
	Terr.	5 dB avg
Isolation between sat. inputs		30 dB min
Dimensions (w,d,h)		8.2 x 7.7 x 2.3 cm
Temperature range		-30 ~ +70 °C
Weight		0.100 kg
